

## As a Pilot What Maintenance Can I Legally Perform

What can an owner/operator perform on an aircraft. What types of pilot certificate allows this maintenance.

Light Sport Aircraft: This will speak to maintenance on LSA's as well as requirements for obtaining a Repairman certificate for your aircraft.

There is no cost associated with this event

**Directions:** Turn at the lights off highway Highway 2 and turn North onto Moberg Drive Northwest. Conference will be in the Main Terminal on West end of building.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
